Dear Parent/Carer,

### Year 6 World War 2 Dress-up Day

As part of the Year 6 Driver; 'Why was our school bombed in World War 2?', we are having a World War 11 dress-up day where children will have a special Curriculum focus on Designing and Making linked to World War II.

As part of the day the children will be experiencing a World War 11 workshop where they will participate in a range of activities, and have the chance to explore genuine WWII artefacts and try on real period clothing. They will discover the true meaning of community spirit and gain a memorable insight into what life was like for children in Britain during World War II.

We also will use this day to review and celebrate what they have learned about this topic. This will be taking place on **Thursday 19th January 2023**. On this day, we encourage all children in Year 6, to come to school dressed up as a World War 2 figure. Please support your child in making their costume or finding an appropriate outfit at home.

We have provided the ideas below to help you when deciding what costumes to provide your children and feel free to ask your child's teacher for further ideas.

**Ms F Munshi**  
**Year 6 Leader**
